

— GOLD OF GREEN · MANUFACTORY FOR CARE-FREE GREENING —

Certificate of Quality & Guarantee

for MOOSMOOS Premium Mosses · 2026

Bergermann Floristik GmbH hereby confirms the following quality characteristics and manufacturing principles
for the premium mosses produced under the MOOSMOOS brand.

I

LIFETIME GUARANTEE

Colour freshness & lightfastness

MOOSMOOS grants a lifetime guarantee on the colour freshness and lightfastness of its premium mosses. Lightfast dyes and deep preservation ensure a permanently brilliant, natural colour appearance.

II

VOC-FREE MATERIALS

Responsible preservation

Only VOC-free materials are used in the production and preservation of MOOSMOOS premium mosses — confirming MOOSMOOS' commitment to a high-quality selection of materials suitable for interiors.

III

DRUCKPRÄPARATION+

Exclusive MOOSMOOS technology

The premium mosses are refined with our in-house developed Druckpräparation+. The preservation penetrates deep into the plant structure and permanently retains the natural feel, structure and characteristic properties of the moss.
